If you are going on the Thursday evening cruise, we will have show credentials for pre registrations that can be picked up at the starting point, Fredericton Nissan on Bishop Drive from 5pm to 6pm. Please note, the cruise will depart at 6pm sharp.

Fredrod opens to the public Friday at 6pm. From that point on, Queen Street and Carlton Street north of King Street will remain closed for traffic and there will be 24 hour security on site. Cars are free to come and go or may park for the weekend. However vehicles that are displayed on Officers Square must remain where they are parked until the show closes on Sunday at 4pm. Cars can not park on the grass or be moved. If you are wanting to park on the Square, we recommend arriving early Friday. Keep in mind that it is not first come first served and you must wait for parking officials to guide cars to where they will park. Officials will be looking for a variety of cars to park in the Square, and there is very limited space. Parking officials will arrive at the Square 7am Friday morning. We do not guarantee that your vehicle will park on the Square. Officers Square and the adjacent areas will be filled first, then Carleton Street north of Queen will open for exhibitors to park at 1pm. Queen Street will open shortly after 5pm as soon as the street is cleared. **YOU MUST HAVE YOUR CREDENTIALS, WITH THE WINDSHIELD STICKER DISPLAYED PRIOR TO ENTERING THE SHOW AREAS.** Vehicles that leave can re-enter the show site after 8am Saturday and Sunday morning.

There is off site trailer parking available. Please make arrangements prior to parking. *If you need a place to park your car trailer, call Jason at 506-238-3250. Limited space is available.*

The organizing committee has arranged for a private welcome reception Thursday evening for our special celebrities, show sponsors, and local dignitaries. We also drew 20 lucky early registration exhibitors, who received exclusive invitations to the reception. You must have an invitation to attend this event.

Please drive safely around the show site and be respectful of the City of Fredericton that graciously provides us the opportunity to have the show at this historic location, as well as the other participants, our many volunteers, and the show organizing committee.
